May Ministry in North America

In May, I ministered at several churches in the **Los Angeles area**. The first meeting was at a prayer meeting of **Praise Christian Church in Temple City**. When I prayed for people after preaching, they fell down quietly. The next meeting was at a house in **Anaheim**. After teaching the Bible, I also prayed for people. On Friday night, we had a special meeting at **Bread of Life Church in San Gabriel** and many long-time supporters of our ministry from various churches attended. I preached at the Sunday service of **New Life Christian Center in Irvine**, with English interpretation. After preaching, I gave an alter call for prayers. In the end of May, I ministered at the Sunday service of **Bread of Life church in Atlanta, Georgia**. After sermon, many came forth and received prayers. Most of them fell down quietly and several were moved to tears.

June Mission Trip to Malaysia

In early June, I made a 2-week mission trip to Malaysia, holding meeting in **6 places** and ministered to **2,400 people**. The first meeting was at **Full Gospel Assembly in Petaling Jaya**, with some from other churches. After preaching, I prayed for people in the front. The next night, I ministered at **SIB church in Kuala Lumpur**. After preaching, I prayed for the needy and the sick. I preached at their Sunday service the next morning and prayed for people. I led several to the Lord. In the afternoon, I preached at the Sunday service of **Full Gospel Assembly in Kuala Lumpur**. It has been almost 10 years since my last visit. To my surprise, many people came forth to receive prayers.

After the meeting, we went to the hotel nearby the airport. We began our **3-day Christ Disciple conference** that night with **50 attendees**, including four from Sidney, Australia. I taught on the topic of **"Trials in Life"**. The worship team was consisted of several churches and they ministered in one accord with the anointing. During six sessions, **many cried out in tears** during ministry time. Especially in one afternoon when we worshiped, **the presence of God manifested**. Suddenly **the fire of revival** came down to touch them and many lives were changed.

After one day of rest, we went to minister at **Calvary Life church in Melaka** the next night. My preaching was interpreted into English. As I led the song, people sang in unison. Many came forth to receive the prayers. The next night, we began the 3-day meeting at **Glad Tidings AOG church in Petaling Jaya**. As we worshiped, **I fell in the Spirit and wept strongly**. Later I preached a strong message but many responded to the front, seeking the Holy Spirit to change their lives. On the next night, I taught the Bible and many came forth to **seek the presence of God**. I preached at both their Sunday services under a strong anointing. I first ministered to the elderly on the platform. Then I laid hands on the children, young people, and finally on the couples. **God's presence manifested and His love was moving** among them. Some were shouting and receiving deliverance.

While in Malaysia, I was greatly shocked by a headline

news that **the senior pastor of the largest church in Singapore was under police investigation for misuse of the church fund**. Over the years, I have been very outspoken against the oversea charismatic churches for their emphasis on the prosperity gospel. **Now God's judgment has come** to reveal the hidden sin of this church, as a **wake-up call** for many other churches to repent.

July Mission Trip to Northeastern China

In July, I made a two-week mission trip to **Heilongjiang, Jilin, Liaoning and Shandong** in Northeastern China. We held meeting in **8 places** and ministered to over **1,700 people**.

I first arrived at a **farm in Heilongjiang** at night. I preached at a house church next morning and then prayed for people. It was their first charismatic experience and they were more cautious. So we added a meeting for the afternoon. This time when I prayed, **many fell at once without touch**. The Holy Spirit began to move. The next morning, many out-of-town coworkers joined us and many fell in tears. In the afternoon, they were anointed with joy and spoke in tongues. I led several to the Lord. The next evening, I went to a **village in Jilin**. The place was packed with coworkers in praising God. We started the meeting and I preached under heavy anointing. **They all cried out to God in tears**. I then laid hands on them, and they all fell down in weeping. **The Holy Spirit moved mightily and then entire group fell at once**. After preaching the next morning, many were in tears. I laid hands on **young people** and many offered themselves to God. In the afternoon, I led them in dancing to praise God. As they received the anointing, **they fell at once in holy laughter**. Coworkers were greatly filled with joy.

Afterward, I went to a **city in Liaoning**. The first meeting was at a house church. I laid hands on the people and they all fell quietly. The next day, hundreds gathered at **nearby farmhouse**, most came from different places. I prayed for the people in groups and many were in tears. After singing praises in the evening, **they fell all the way to the back under the power of God**. I then prayed for the coworkers. In the next morning, we met at a **hotel** with a house church. As I prayed for the people, they fell all over the place and many wept. In the afternoon, I handpicked several to the platform and they were in great laughter. I then prayed for all to be filled with joy. In the next morning, hundreds packed the hall at a **nearby village**. After preaching, I prayed for the coworkers from various churches and many fell in weeping. In the afternoon, there was **total silence in God's presence** during our worship. After preaching, I prayed for them to receive anointing. Many fell with joy without touch. **Several were healed and able to walk without crutches**. In the next day, we went to **another city** and met with a house church. As I prayed for people, they wept and then laughed. In the evening, I took an overnight boat to a **city in Shandong**. The next night, we went to an apartment packed with people. After preaching, I prayed for them and many fell in tears.

Itinerary of Pastor David Lin

July 29-30 San Jose, CA

美國加州聖荷西生命河靈糧堂

Aug 5-18 Spain, Italy, Europe

歐洲西班牙,意大利宣教
