

TABERNACLE OF DAVID MINISTRIES, INTERNATIONAL NEWS

April Mission Trip to Central China

In April, I made a three-week mission trip to **Hubei, Anhui, and Jiangsu provinces in China**. We held meetings at **14 places**, ministered to over **2,700 people**, and led **40 people** to the Lord. We ministered **mainly in the cities** with several house churches still in the villages. Recently, the churches in China have experienced great changes. **The Three-Self churches have become more hungry for the Holy Spirit** despite being limited by the government. **Ironically, the Spirit-filled house churches have become eager for other pursuits**, such as governmental approval, large church building projects; modern equipments including PA system, music instruments, and computer-based projectors; theological credentials; pastoral ordination; monetary offering, etc. **Some churches are influenced by a famous church in Singapore with teachings on the prosperity gospel**. This causes a negative influence on the house churches since more people moving away from the countryside to the cities, where believers become more subjected under worldly things. **The work of the Holy Spirit in repentance and revival is gradually reduced, especially among the younger generation.**

I first took a flight to a city in **Hubei** and then went to a remote village near another city by bus. The coworkers started praying passionately before dawn. After preaching in the next morning, many responded in tears. When I prayed for them in the afternoon, many fell in weeping. I prayed for healings in the evening and many got healed. **A paralyzed sister was able to walk** and we all danced in praising God. The prayer meeting in the next morning didn't end until noon. When I taught the Bible in the afternoon, they all listened carefully and took notes. Later **the Spirit of joy came** and they fell in holy laughter when I prayed for them. **The Holy Spirit moved mightily**. We departed and I took the bus back to the city in heavy rain. The next day, we met in an apartment with coworkers from the nearby cities. After preaching, I prayed for them in groups. Many fell in tears and spoke in tongues. More joined us for the evening meeting from local churches. After preaching, I prayed for them to be filled with the Holy Spirit. **The Holy Spirit moved strongly** and people were quite loud. Lastly, coworkers were filled with great joy. I preached in their Sunday service the next morning. Later I prayed for local believers and they fell in holy laughter.

I then took a fast-train to a city in **Anhui**. In the evening, I preached at a church with coworkers from Three-Self churches. Later I prayed for them in groups and many fell in weeping. **The Holy Spirit moved mightily**. The next morning, I preached at a house church packed with coworkers. Later I prayed for them in groups and many fell in tears. A sister led the worship and **the presence of God manifested** in the afternoon. After preaching, **the anointing of God was intense**. I first prayed for the young students and then coworkers. They all fell down quietly under the anointing for a long time. Later we went to the next town and had a dinner with a house church leader. The next morning, I preached at a Three-Self church and prayed for healing of

many elderly people. More people showed up in the afternoon. After preaching, I anointed the coworkers from various churches and they fell down quietly for a long time **in the presence of God**. Then we went to the next town to pray for a church worship team. The next morning, I went to a coworker meeting in a village. After preaching, I prayed for them in groups and many fell in tears. Because **a wheelchair-bound sister got healed**, more people showed up in the afternoon, overflowing into the courtyard. After preaching, **the Spirit of joy came** and I prayed for them again to receive the anointing of joy. There were so many people so I had to minister in a faster pace before taking the bus back to the city.

The next evening, we held a meeting with coworkers from Three-Self churches. When I prayed for them after preaching, they were filled with the Holy Spirit and spoke in tongues. **The revival fire has descended for this city**. The next day, I went to a house church packed with people. After preaching, I prayed for them and they fell in tears. When I prayed for healing, **a sister walked off her wheelchair and praised God**. In the evening, I preached to the young people. When I sang a spiritual song, coworkers were filled with the Holy Spirit in holy laughter. I took a bus to another city the next morning. After preaching, I prayed for people and they fell all over the place. Later when I prayed for healing, **several crippled were able to walk**. In the evening, I first prayed for coworkers and they fell quietly **in the presence of God**.

The next morning, I went to a city in **Jiangsu**. In the afternoon, people were on their knees in prayers after I preached. Later I prayed for them, many fell in tears. In the evening, I prayed for them after preaching, many were filled with holy laughter. **A young sister was drunk in Spirit**. In the next day, I took a bus to the next city, and ministered at a church near the marketplace. Many merchants and workers attended. After preaching, I prayed for them and they fell in tears. In the evening, I also prayed for personal needs and deliverance. The next morning, I took a bus to the next city. We had to cancel the original meeting because of safety issue. We met at a factory in the evening with a packed crowd. After preaching, I gave an alter call and **many received Jesus Christ**. I then prayed for healing on the platform and people from Three-Self church were hungry for the Holy Spirit.

I returned to **a major city** the next day and stayed at a house church. The next evening, I ministered at their prayer meeting. Many were filled with the Holy Spirit and spoke in tongues. The next day, it was **packed with many people** from various churches. It took a long time to pray for all of them and many fell in tears. After preaching in the evening, I prayed for them in groups to receive the anointing. Many were healed and many received great joy. In the next morning, I also preached at their Sunday service.
